**Commissioner for Patents**

A substantially correct copy of appealed claim 64 appears on page 13 of the Appendix to the appellant's brief. The minor errors are as follows: The term "80" at line 7 of claim 64 should read as ---so---. This is a typo since claim 64 filed on July 18, 2005 reflects the term "so".

Regarding missing appeal conference participants names/signatures from the examiner's answer, the examiners answers contains appeal conference participants names/signatures on page 13.
